Subject: RAC Measures For Review and Comment - DEADLINE 8/31/16
DRAFT Region 8 FY17 Annual Commitments RAC v8.1.16 for External Comments....docx

Good Moring (AGAIN this fine day) ---

Please see the attached ***Draft Region 8 FY 2017 Regional Annual Commitments*** document, for your review and comment.

This document outlines Region 8's approach for implementing the Fiscal Year 2014 – 2018 EPA Strategic Plan in FY 2017. The commitments are the most significant work in the region, which the National Program Manager (NPM) measures may not fully capture. These commitments are priority focus areas for the Region and highlight work that may be unique to Region 8. Region 8 will use the full set of NPM measures, in addition to its Regional Annual Commitments (RAC), to evaluate regional efforts throughout the year.

Please submit comments to me] **no later than Wednesday, August 31st**. I will compile the RTOC comments I receive and provide them to our Planning group for consideration and potential tweaks to the 2017 RAC measures.

Thanks

Callie
